Report to Committee on Ridgway Branch

In examining the roof preparatory to making the repairs authorized at the last meeting, McGrath found that around its edge the lead was loose. He had it caulked in, soldered over, puttied and painted. It remains to be seen whether that will be effectual in stopping all leaks. None today.

Report to the Book Committee

There is a Balance due Edward G. Allen London of £ 8. 11. 6. This will be increased next month by about £ 28. which he is accustomed to charge for the periodicals furnished by him in advance for the coming year. I recommend that a remittance be made him of say £ 150 out of the funds of the Ridgway Branch. The Ridgway Branch now owes the Library Co. \$ 317. 64 as per the accompanying of current. A remittance to Mr Allen would throw the Balance on the other side.

I lay before the Committee 7 County Histories, three atlases & 2 raised maps which I strongly recommend for purchase on of of the Ridgway Branch. I beg to call the Committees attention to Mr Vandewoot's letter enclosed in reference to certain other forthcoming County Histories which should be secured as soon as published or they will immediately be out of print.

Report to Finance Committee

The accompanying Bill from Messrs Furness Hoags for professional services I suppose to be right, but before drawing an Order for it, it occurred to me that it had better be passed by the Committee. I enclose the Bills for making the Verandah and the Drain on which the Bill is based.

I was applied to by a Mr Fletcher about the 10th Nov to know at what price the Library Co. would sell its property at 5 & Library Streets. He said that an Institution - which he did not name - was looking at various properties in that neighborhood with a view to purchase. I communicated the application to the Chairman of the Finance Committee who authorized me to say that the Committee would recommend to the Board to name \$100,000. - including the Law Buildings. This answer was communicated to Mr Fletcher, who expressed his gratification that the price was no higher. I have not heard from him since.

Since writing the above, I have seen W Fletcher
who says it is highly probable that the Institution
which he claims to represent will close with an
offer of \$110,000. - Should the Board see proper
to make it. He says it expects to buy the
Chestnut St front and to put up a very
large building.

Report to Executive Committee

The season for gardening operations being over,
Matthew White, gardener has been discharged.

The Janitor requests permission to have some closets
made in the basement, at an expense of about \$20.
This is reasonable as there is no place to hang clothes.
